(Pool includes ATCOG, CBCOG, CTCOG, BVCOG, ETCOG, GCRPC, STDC)

Moving Forward

Role of State, COG's, and local government

State: TDRA will be responsible for overall grant administration. TDHCA will administer and oversee housing activities. TDRA will administer and oversee non-housing activities. State approves local and regional methods of distribution (MODs).

COGs: Will develop MODs at the local (County) level and make direct allocations to local government.

Local Governments: Identify projects and apply for funds, implement projects with State oversight.
